Re: Israel Stern, et al v. Abraham Stern and Warren L. Millman

Dear Magistrate Levy,

I am appearing pro-se in this matter and my understanding is that I am not required to file my papers electronically. I do not practice in this Court as a matter of routine and am not very computer savvy and therefore, I am filing all documents in hard copy form.

I am seeking to join the application of Mr. Stern for an adjournment of the motion wherein the plaintiff's seek the appointment of Israel Stern to be guardian for his younger brothers. I believe without going into detail that this court will find that Israel Stern is not a proper person to serve as guardian in this case, which has a protracted history.

In fact all of the allegations contained herein were litigated before the Appellate Division Second Department and found to be with no merit. Three complaints against me personally were made to the grievance committee which were all dismissed. Those charged the same conspiracy.

I have never been properly served with a summons and complaint in this matter and received the present motion by overnight mail without any extra copy of the summons and complaint.

Further, I have not been well for some time culminating in my being taken yesterday to the hospital by EMS from the Brooklyn Family Court. I was diagnosed with

high blood pressure causing bleeding in my body. I need additional time to put together a response and although I did not ask for that time from Gordon and Gordon I understand that such letters were sent by my co-defendant and I asked that I be granted the same time to respond. I believe this Court granted an adjournment to February 24, 2006 although I am not quite certain.

Thank you for your consideration.

Very truly yours,
